

To all persons covered by the National Health Insurance

Due to COVID-19,
If any condition below apply to you,
Your premium is exempt

[Persons who are **eligible for premium exemption**]

① A member of a household whose primary breadwinner has passed away or became seriously disabled as a result of COVID-19.

--> **Premium is 100% exempt**

② A member of a household whose primary breadwinner has projected revenue loss (*) as a result of COVID-19.

--> **Premium is partially exempt**

***Specific requirements for premium to be partially exempt**

Regarding the primary breadwinner of the household

(1) Any revenue source, such as business or salary revenue, has a projected loss of 30% or more as compared to that of last year.

(2) Last year's total household income was 10 million yen or less.

(3) Last year's total income outside of the category with projected revenue loss was 4 million yen or less.

Note: A documented proof of income is required to apply.

○ **Exempt amount** is calculated by multiplying the eligible premium amount (A×B/C) and the exemption rate (D).

Premium amount eligible for exemption (A x B/C)

A: Total premium amount for all insured household members

B: Primary breadwinner's income last year that corresponds to the projected revenue loss

C: Last year's total household income of the primary breadwinner and all insured household members

Exemption rates according to total income (D)

3 million yen or less : All (100%)

4 million yen or less : 80%

5.5 million yen or less : 60%

7.5 million yen or less : 40%

10 million yen or less : 20%

*In case the primary breadwinner closes a business or becomes unemployed, 100% of the premium is exempt, regardless of last year's total income.

Applications must arrive no later than March 31, 2023.
