、りを心がけています着る人が楽しくなる もように願いを込め「気の入った仕事」

Using frame-drawn Yuzen techniques, create designs combining modern motifs and traditional patterns. My teacher's words "work with intention" has become my motto. Create works with patterns filled with wishes of joy for both people who look at them and people who wear them.

Born in Nakano. Graduated university with a major in Japanese painting in 2002. Studied under OGURA, Sadao at Atelier Ogura Sengei for 11 years. Joined Nakano Traditional Crafts Preservation Society in 2013. Member of Tokyo Craft Dyeing Cooperative.
